## Village Will Not Ask for Bids

Aldermen Vote Down Ornamental Lighting System, 4 to 2.

Antioch's proposed white way is a dead issue so far as the village board of trustees is concerned. This decision was reached last Thursday evening at a regular meeting of the board held at the village hall.

The project got its technical knockout after Atty. Runyard had explained that all the necessary preliminary legal work has been performed and a motion was made to advertise for bids for the installation of the ornamental lighting system. Upon roll call two aldermen favored the proposition and four voted against it.

### Project Was Much Discussed.

It was about four years ago that an ornamental lighting system, commonly referred to as "the white way," for the business district along Main street was suggested by members of the Antioch Business Club. After much discussion the project was abandoned at that time, as the village was already in debt and no satisfactory method was found to raise the necessary funds to defray the cost of installing and operating the system. During the years that followed, many who were against the project came to look upon it with favor, and a large majority of Main street merchants have become boosters for the white way.

### Boosters Renew Efforts.

In the spring of this year advocates of the improvement renewed their efforts and on March 15, a petition bearing the names of over 75 per cent of the property owners along the business section of Main street, was presented to the village board at special session. The matter of popular subscriptions to finance the maintenance of the lighting system was discontinued when President Bartlett advanced a plan which when in operation would supply the needed funds. Mr. Bartlett's plan being a business tax, or license, in which every business firm would share. President Bartlett's suggestion met with seemingly universal approval, and on April 20, 1926, the "license ordinance" was passed by the board of trustees. This ordinance, when fully operative and enforced, would bring nearly \$1400 into the village treasury, a sufficient sum to maintain the white way lights and with enough to spare to pay the salary of a night watchman for the village during the winter months. It is understood that between four and five hundred dollars has been collected in compliance with the provisions of the ordinance.

### Board Authorizes Improvement.

Convinced that the proposition was wanted by a majority of property owners concerned, the village board authorized a special assessment for \$12,000 to be made against the property benefited and appointed L. O. Bright to make such assessment. Mr. Bright completed the work of spreading the assessment and a hearing was set for Sept. 25, 1926, at Waukegan. On that date but two persons appeared at the hearing. That lights on Park avenue should not be included in the white way formed the basis of their objections. Subsequently these objections were withdrawn. It is estimated, the objections being cleared in part.

After the special assessment spread was made it was shown that the amount of \$616 additional money was needed to pay the cost of installation across certain side streets along that portion of Main street included in the proposed white way, and according to the plan this money was to be paid out of the general tax fund of the village and the payments spread over a period of ten years a matter of \$61 per year, or about 5 cents per year for each person within the corporate limits of the village. It is claimed that this \$616 was what the aldermen failed to "see," and influenced them to vote "no" upon the motion to ask for bids for the white way. Previous to taking the vote a resolution unanimously adopted by the Antioch Business Club as favoring the pro-

## HIGH SCHOOL BOYS SAVE \$2815.00 TO COMMUNITY

Twenty-four boys of the Agricultural Department of the Antioch Township High School participated in a rodent catching contest during the month of October that resulted in the extermination of 613 sparrows; 391 mice; 34 rats; 5 crows; 18 gophers; 1 ground hog; and 3 hawks.

Figuring that a mouse will cause a dollar damage during the year; rats and gophers five dollars; sparrows 3 dollars; crows 15 dollars; and hawks and ground hogs twenty-five dollars—the total value of all saved to the community by the boys is \$2815.00.

Not only do these rodents and pests cause damage to grain and crops but diseases are spread by sparrows. "Hog Cholera" caused a damage to the hog industry of \$105,000,000 in 1914. Sparrows spread the disease," says C. L. Kuttel, director of the Department.

Lloyd Atwell caught 263 sparrows, 25 mice, 3 groundhogs, and 5 gophers being the highest man in the contest. Lloyd was honored by the Agricultural Club of which he is a member, as being the champion Sparrow Hawk of the Community.

## Antioch Defeats Barrington, 38 to 0

Last Saturday, Barrington journeyed to Antioch and suffered a 38-0 defeat at the hands of the local football team.

This win gives Antioch a tie for the Conference Championship and this tie will be decided by the big game this afternoon at 2 o'clock with Libertyville.

Last year Libertyville defeated Antioch in the Championship game and the local team is out for revenge.

The second team journeyed to Gurnee last Saturday morning and defeated their second team 19 to 6.

## COLLEGE STARS PLAY FOOTBALL AT ANTIOCH

The boys of the Agricultural Department of the Antioch High School are showing "The Quarterback" at the Antioch Theatre on Monday and Tuesday, Nov. 15 and 16. This new film just released from the Chicago Theatre is considered by critics the greatest football romance and comedy of all times.

Every player in the games filmed is a former college star. Coach Yost of the Michigan University helped in the production of the play at Long Island last summer.

Come and see a real game with all the thrill and spirit of a college home-coming game.

## WANTS LAKE VILLA PAVEMENT COMPLETED

H. M. Lobdell, county superintendent of highways has started a fight to complete the paving of route 21 in Lake Villa, where there is three-quarters of a mile of gravel road left unpaved due to the legal obstacle thrown in the way by the Soo line because that road does not want to place an overhead or sub-way at its crossing where two people were killed three years ago.

Now Lobdell, through the highway department of the state, seeks to revive the case which has been pending since April, 1925.

A birthday dinner was given to W. C. Petty at the Charles Kapplo home at Grayslake, Sunday evening. Mr. Petty was formerly principal of the grade school at Grayslake.

ject, was presented to the village board.

(It is not the desire of the News to enter into any controversy with any organization or group of citizens regarding public questions, and the above uncolored facts are presented merely for the information of those interested in Antioch's much talked of improvement. The columns of this newspaper are always open for the discussion of public questions, and signed articles will be accepted for publication from those who have something of interest to present to the general public regarding questions of public policy.—Editor.)

## CHURCH TO CELEBRATE TWENTY-FIFTH ANNIVERSARY

Local Methodists to Honor Event in Elaborate Program Sunday and Monday.

A very elaborate program has been prepared to celebrate the twenty-fifth anniversary of the building of the present Antioch Methodist Episcopal Church. The community at large will be interested in this, as for many years it was the only church in the village and in fact the only church for miles around. In years past the people for miles drove to Antioch to worship.

The original Methodist Society was organized by Rev. Atchison in 1878. Four years later the site for a church was purchased and in the same year the first meeting house was built. It is well remembered by some of the older residents for the great revival meetings when folks were converted in a very realistic way, amid shouting and crying. Twenty-five years ago the then existing building was inadequate to meet the needs of the growing program of church activities, as the church was the center of all recreation in the community as well as worship.

Rev. E. J. Aiken, who served during 1900 and 1903, laid the way for the building of the present church. At the time it was dedicated it was considered the most beautiful church in Lake County, for its size. It still holds the distinction of having the most beautiful art windows in the county. The one in front is the most remarkable reproduction of a great masterpiece. "The Light of the World" by Holman Hunt. The south window, "Jesus in the Garden

of Gethsemane," by Paul Delarocche. The anniversary services will open with worship in the Sabbath School at 9:45 o'clock. The morning worship will follow at 10:45. At this service the Reverend J. Hastie Odgers, D. D., District Superintendent, will preach and administer the Holy Communion. At 2:30 o'clock the new parsonage on Lake Street will be dedicated. The service will be held on the parsonage grounds. Rev. A. M. Kral will preside. After the singing of hymns and the reading of scripture by Rev. E. L. Stanton, the parsonage will be formally presented to the church by Mrs. Drucilla Ferris, the chairman of the committee. Dr. Odgers will accept in the name of the church.

The evening service will be unique, in as much as several of the former pastors will be present to take part. The sermon will be preached by the Rev. E. K. D. Hester. Special music will make this a great service.

The program on Monday will be opened with a program of sacred music and prayer. Mrs. W. F. Ziegler, who for more than twenty-five years has served as organist, will preside at the organ. A selection of music played by several will be long remembered by those who attended. The evening program will go off with a bang. The free church dinner is promptly at six o'clock.

The High School orchestra will play as Mr. Pollock leads the Community singing. The dinner will be interrupted by a program of toasts to be responded to by visiting pastors as well as by some of our local speech-makers.

## COUNTY SCHOOL NURSE ADDRESSES PARENTS

Miss Waterman Makes Interesting Address at P. T. A. Meeting Monday Night.

All of the teachers and a few of the parents braved the rain Monday night to attend the monthly meeting of the Parent-Teachers' association at the grade school building. All who attended were well repaid for their efforts, as they heard a most excellent address by Miss Waterman, the school nurse employed by the Lake County Tuberculosis society. The speaker told of the program of this society, and it is regretted that more P. T. A. members were not present to hear her interesting talk.

The next meeting of the P. T. A. will be held on Monday evening, Dec. 6.

## GIRL INJURED HERE DIES IN CHICAGO

Death coming after nearly 20 days of suffering closed the life of Miss Maudea Herweg aged 23 years of 5070 West Monroe street, Chicago, in the West Suburban hospital in that city, Saturday, from injuries received when an automobile in which she and four other girls were riding overturned on Route 21 near Antioch, on the night of Sunday, October 10.

## ANTIOCH TO HAVE FURNITURE STORE

Werve Furniture Co. to Open New Store in Hardt Building Saturday.

Another store will be added to Antioch's growing number of business places Saturday, Nov. 13, with the opening of a new furniture store here by the Werve Furniture Co., of Kenosha, in the Hardt building next door to the Lowry plumbing shop on Main street.

For fourteen years the Werve Company has operated a large retail store at 214-218 Park street, Kenosha, the place being known as one of the leading furniture establishments in Kenosha county. C. B. Werve, general manager of the company which bears his name, has made a careful study of conditions here with the result that the Hardt building was rented to enable the company to try out the field "This community needs a store like ours," said Mr. Werve, "and we are going to give the people of Antioch and vicinity a complete furniture service. We expect to carry as complete a stock as possible in our limited space in our Antioch store, but our customers will always have access to our large stock in Kenosha, enabling us to supply all demands, from a single piece to furnishing a large hotel." The store will be opened to the public on Saturday. Souvenirs will be given to all who visit the store on the opening day.

### MRS. SAMUEL SORENSEN

Funeral services for Mrs. Samuel Sorensen were held at the Strang undertaking parlors, Antioch, on Monday afternoon, Nov. 8, with Rev. S. E. Pollock officiating. Burial was in Antioch Hillside cemetery.

Mrs. Sorensen passed away at the Victory Memorial hospital, Waukegan, on Thursday morning at 2 o'clock where she had been taken the day previous for treatments in hope of benefiting her health.

She leaves to mourn her loss her husband and one daughter, Mrs. Williams, who resides in Oklahoma, besides a large number of relatives and friends.

### MRS. H. S. DIXON

This community was saddened the latter part of last week to learn of the death of Mrs. H. S. Dixon whose demise occurred at the Victory Memorial hospital in Waukegan last Tuesday.

Mrs. Dixon, who had not been well for some time, underwent an operation in hope of bettering her health and it was during the operation that she passed away. She was 49 years of age.

Mrs. Dixon, with her family, lived on a farm east of Antioch for several years before moving to Lake Villa and from there to Waukegan. She is survived by her husband and four sons, Harold of Lake Villa; Marvin, Alvin and Donald, of Waukegan.

The funeral services were held Friday from the Holland undertaking parlors at Waukegan at 12:30 o'clock then at the Lake Villa M. E. church, of which she was a member. Rev. John Wells, of Racine an old time friend of the family officiating. Burial was at Paris Corners cemetery near Union Grove, Wis.

## CLUB MEMBERS TO BE GUESTS OF HONOR

Members of the Woman's Clubs of Waukegan, Libertyville and Fox Lake are to be guests of honor at a luncheon served by the Antioch Woman's Club at 12:30 o'clock, Monday, November 15, at the Episcopal Parish Hall.

The speaker for the day will be Mrs. Wm. F. Farrell, President of the 10th District.

## THANKSGIVING DINNER

The Hickory Cemetery Society will give their annual Thanksgiving dinner Thursday, November 18th. Come and help a good cause.

## Body of Frank Haycock Found Dead in Chicago

Illness and Despondency Believed to Have Caused Suicide.

Despondency over ill health and financial reverses is believed to have caused Frank J. Haycock, a prominent resident of this community to take his own life in Chicago last Wednesday. Haycock's body was found in his room at the Sher-lak Hotel, 944 Eastwood avenue, early Thursday morning by the Hotel manager. A revolver was found lying on the floor a short distance from Haycock's body. It was believed that he committed suicide.

### Ill and Despondent.

Mr. Haycock had been ill for the past several months, relatives stated, and he had become despondent over financial affairs. He seemed more depressed than usual when he left his father's home here last Wednesday morning.

Frank J. Haycock was born on the old homestead northeast of Antioch, 45 years ago and has made his home here the greater part of his life, although he spent several years in Chicago.

Recently he has been selling used cars.

He is survived by his aged father, Joseph Haycock, one brother, Jay Haycock, Antioch, and one sister, Mrs. Lottie Loomis, of Chicago, also a nephew Orville Haycock, of Antioch.

The remains were brought to Antioch, Friday afternoon and the funeral services were held at the home Saturday afternoon at 2:00 o'clock with burial at Hickory cemetery.

## Antioch in Grip of Old Man Winter

After feeling a touch of genuine winter weather during the past few days, the weather man has predicted milder weather for today and Friday. On Tuesday and Wednesday mornings real winter was felt here, and this morning the mercury had tumbled to near the zero mark. Snow and ice which covers sidewalks and pavements make going extremely hazardous.

Yesterday garagemen reported a landoffice business in the sale of alcohol for radiators and long underwear salesmen experienced a big increase in business.

Pheasant hunters returned empty handed, the severe weather having driven the coveted game birds to cover.

Milder weather is promised for the week end.

### RICHMOND VOTES

#### WATER WORKS

Bond Issue for Improvement Carries in Village, 194 to 93.

The village of Richmond stepped into the class of other progressive towns of this section Tuesday by carrying the proposed water works bond issue by an overwhelming majority of 194 for and 93 against the improvement. A total of 287 votes were polled, while less than twenty of the legal voters of the town remained away from the polls. Richmond boosters are elated over the victory.

### HIGH SCHOOL MEMBERS

#### TO BROADCAST FROM W.L.S.

### Fish Oddly "Planted"

Fish, some of them live and ten pounds in weight, have been found in excavations made by phosphate miners in parts of Florida. The pools have no connection with outside water sources and fill up from rain and seepage alone. Cranes and other wading birds are thought to carry fish eggs to these excavations. Trout seem to thrive in these strange habitats.

### Short and Sweet

A suit tried by the late Sir Francis Baines in the English divorce courts is said to be one of the briefest on record. Sir Francis summed up the case as follows: "If the husband were the brute the wife says he is, she is well rid of him. If, on the other hand, he is the saint he makes himself out, he is far too good for any woman. Consider your verdict, gentlemen."

### Fairness

Certainly, the fair way is the best, though it be something the further about. . . . Constraint is for extremes, when all ways else shall fail. But in general, fairness has preference. If you grant, the other may supply the desire; yet this does the like and purchases love,—twice Feltham, in "Resolves," 1620.

### As We Thought

A New York man has invented a hat which is secured to the head by means of suction. Judging by the films, the American detective has always worn this sort, as he is the only man who doesn't uncover when the body is found.—London Opinion.

### Wherein They Differed

"What's the matter with Grumble and his wife? I hear there is talk of separation." "He's a fundamentalist, and she's a modernist, and they always are scrapping over who is right." "I didn't know they were so interested in church doctrines." "Oh, it has nothing to do with the church. He thinks it takes skilllets, pots and pans, flour and such things to get a meal, while she is just as sure that it doesn't take anything but a can opener."—Cincinnati Enquirer.

### A Study

Vacillating, fickle, highly emotional. Swayed by effect rather than by reason. Ignorant, dissatisfied, noisy. Occasionally a factor of no small importance in public affairs. Thoroughly unreliable, cringing, glib. Dangerous when aroused. As a rule hostile. Treacherous, bitter. Wholly helpless without a guiding hand. Elastic. A blight to the community: a mob.—Kansas City Star.

# Our 27th Anniversary Sale Is Now in Progress

Celebrating the first birthday in our new building with the greatest values in our 27 years of retailing.

An event of tremendous importance for you and for us

Only once a year is such a sale possible—Once a year and such a sale: Every executive, every employee, is bent on breaking all Sales Records and we unhesitatingly guarantee anniversary prices to be lower than competition can possibly offer.

\$125,000 Worth Of Absolutely New First Quality, Fall and Winter Merchandise Will Be Sold At Actual Cost During the 10 Days Of The Anniversary Sale

This is our Birthday present to you—Our way of showing our appreciation to the Thousands of Friends who make this Business the Success it is

## The 27th Anniversary Sale

Is the result of 27 years of Fair Dealing, 27 years of Keeping Faith with the Public, 27 years of Sturdy Growth, of Steady progress, of helpful Service to the Community. It marks 27 years of Merchandising Success and is a Demonstration of the Globe's buying Power. Its merchandising resources, its leadership. It is an event that all Lake County looks forward to each year. It is the Sale of Sales.

## The 27th Anniversary Sale

Required months of preparation, it necessitated repeated trips by our buyers to the biggest manufacturers in the land to secure the best in their lines at prices far below regular. The manufacturers co-operated to the limit—they classed much of the merchandise as Birthday presents to us and much of the merchandise we bring you in this sale is offered at less than we can buy it for in the regular way.

### The Chorus

Last week the Chorus practiced William Ernest Henlers, "Invictus" which is quite different from any of the songs they have had so far. There is a fearlessness, a defiance, and undaunted and unconquered spirit about these words that is unmatched. It is the story of a man who has fought unarmied against every obstacle and has won. His cry is not that of a victor who has won with God, for the peace and happiness that should come is not there and in its stead the hard breathing wild cries and snarls of a beast which has proved his prowess over are equally matched for.

### Campus Notes

The football game between Antioch and Warren at Warren, Saturday morning was witnessed by few Antioch students. Among the Freshmen were Esther Barthel, the Sophomores were Hazel Webb, Louise Simons, the Juniors were Wilber Madson, Dorothy Brogan and Edward Kappel. Antioch won 19 to 6.

### Agriculture Notes

Roy McNeal, a Freshman, bought two pure-bred Shropshire aged ewes from the University of Wisconsin. They are to be his Annual Husbandry Project, as he is a member of that class. The boys seem to prefer Shropshire, as they usually get them when they have a sheep project. This may be due to this breed having such good wool.

### Girls Glee Club

With all our hearts we wish our leaders success. They are busying themselves attempting to secure the right to inter-scholastic competition in the Musical Department in the conference. We certainly hope they succeed and with that end in view the girls are working diligently on the new pieces which have been given them. At their last meeting they were given another new piece, "Humbreske and Swanee River." It

is a very peculiar combination, but its quite delightful.

### Editorial

Assignments are given out to be handed in at class time. If these assignments are not finished at the appointed time or finished at all, it is not only unfair to you, but to the whole class. If you wait and get your lessons from the class recitation, it is robbery. You are stealing someone's else thoughts and are admitting you have none of your own to contribute. You may think it isn't worth your time to get an assignment and that it is a waste of effort, but if you only learn where and how to find what you want to know when you want it you have learned something very valuable, for the test of an educated man is being able to find the information he wants when he wants it.

### The Pep Board

Last Friday the pep meeting was given by the Juniors who presented an interesting entertainment immediately after school was dismissed. We also learned a new "sport" song to the tune of "That's Why I Love You" After the entertainment Mr. Stark and our cheerleader, Richard Folbrich, led some yells which closed the meeting. The pep board sold "hot dogs" at the Harrington game Saturday.

### Armistice Day Parade

Thursday, November 11, will be a memorable day in the history of Antioch's football. Up until this time Antioch has not been successful in winning a football game from Libertyville.

At one o'clock Thursday afternoon the various organizations of the high school, are to sponsor a parade. All organizations, Glee Club, Choruses, Pep Club, Orchestra, Home Economics, Ag. Club, Senior Class, Junior Class, Sophomores and Freshman Classes are to be represented by a float. There will be the two classes of floats, comic and artistic. The determination of each committee to make their float the best, has given promise of a brilliant affair.

We extend to you, the people of Antioch, a hearty invitation. Attend our parade and football game. We have every reason to believe you will not be disappointed.

The parade will pass through the Main street—likely turning at the grade school and coming back through town, going directly to the football field, at the old base ball park.

The High School orchestra will again play in public next Monday when they will play at the church dinner which is part of the dedication program of the Methodist Episcopal church. Mr. Stark will direct.
